

Charity Lifeline Community Benefit Fund

Charity Lifeline is a Community Interest Company founded in March 2013 (registration number 8457448). Charity Lifeline uses the profit it generates to support small community and voluntary groups, financially vulnerable people and the environment.

In part this support is done via the Charity Lifeline Community Benefit Fund which is described below. To read more about the work of Charity Lifeline - [visit their website](#)

The Charity Lifeline Community Benefit Fund offers grants for running costs and small projects. Local, small community and voluntary groups based within the Huntingdonshire District Council boundaries are invited to apply for a grant from £250 to £750.
