

The Hubert Julian Grassroots Endowment Fund

The **Hubert Julian Grassroots Endowment Fund** is invested and each year the fund makes small grants to support small, local voluntary and community groups and organisations that are undertaking charitable work in Cambridgeshire.

Grants are given to those projects helping people that face disadvantage and to those that engage and support local people, and therefore build stronger, healthier, inclusive and sustainable communities.

The fund focuses around CCF's 'Improving Lives' funding stream which supports the following core grant programmes: Children and Families, Adults facing life crisis and Adults with health conditions.
