

Sharing our grant making data and stories

CCF produces a quarterly magazine and a number of different annual reports to illustrate the difference our donors are making to the lives of local people.

[THE FORUM](#) - a magazine for sharing our stories about the work we do and the great projects we are able to help through the support of our donors

[Vital Signs Reports](#) -exploring how well the region is performing in relation the rest of the UK, assessing local perceptions of the key issues in the issues which matter most to them.

[Impact Reports](#) - highlighting how the work to improve the outcomes for beneficiaries translates into positive changes for our communities and society in general.
