Sharing our grant making data and stories

CCF produces a quarterly magazine and a number of different annual reports to illustrate the difference our donors are making to the lives of local people.

<u>THE FORUM</u> - a magazine for sharing our stories about the work we do and the great projects we are able to help through the support of our donors

<u>Vital Signs Reports</u> -exploring how well the region is performing in relation the rest of the UK, assessing local perceptions of the key issues in the issues which matter most to them.

<u>Impact Reports</u> - highlighting how the work to improve the outcomes for beneficiaries translates into positive changes for our communities and society in general.
