

Larkfleet Homes Community Fund

The Larkfleet Homes Community Fund supports charitable projects that enhance or develop a thriving community for the benefit of the residents of a Larkfleet Homes development, and other local residents.

For every market value home it builds, Larkfleet contributes to a community fund for each of its new developments. The fund is designed to support local charities and organisations near the new development – helping communities as well as building homes.

Recent Awards

Grants have been made from the Fund as follows:

Eye Brownies have been awarded a grant of £320 to buy a banner, flag and pole.

Eye Guides and Senior Section have been awarded a grant of £420 to buy a banner and flags for guides and new senior section.

Car Dyke Rainbows have been awarded a grant of £220 towards an official rainbow Flag and rainbow banner
